

PARTNERSHIP PRESS RELEASE

FOR IMMEDIATE RELEASE

Neo Mars International Company Limited

28th September 2021

Tokyo Chiyoda Japanese School, which is located in Tokyo and **Neo Mars International Company Limited**, which is located in Yangon, announced that the companies have entered into a strategic partnership that will facilitate the process of Myanmar Students in studying Japanese Language, higher education and job opportunities in Japan.

The agreement brings together both of the entities by ensuring the process for the Myanmar Students in pursuing their opportunities in Japan.

Chiyoda Energy Co., Ltd. was established in 1941, and since the beginning it has been operating mainly on gasoline sales and Tokyo Chiyoda Japanese Language School was established for various abilities, strong mental power and manners based on Japanese language education.

Neo Mars International Company Limited was established in 2019 in Myanmar mainly involved in training, Japanese Language Classes, web designing and media publishing businesses in Myanmar.

“We would like to devote ourselves to developing world-class human resources who have cross-border kindness and strength. I am waiting for a young challenger who agrees with such a thought to be admitted from the bottom of my heart.” said [Toru Tayama](#). (CEO) Chiyoda Energy Co., Ltd.

Myanmar students preparing to study in Japan, will now be able to get assistance in the application process for the Tokyo Chiyoda Japanese Language School and visa consultations by Neo Mars International directly.
